WEARABLES SUMMIT

NOVEMBER 9, 2021
8:00 A.M.– 4:30 P.M.

Palmer Commons
Great Lakes Central
with virtual option available

A.M. SESSION
Open to U-M community

Opening remarks at 8:45 a.m.
(breakfast included)

P.M. SESSION
Principal investigator brainstorming workshop on future in wearables research

Session begins at 12:30 p.m. (lunch included)

During this one-day event we will learn about research on wearables within the U-M community, determine best practices for research, and identify future synergies/collaborations.

Join the conversation to keep U-M at the forefront of wearable research, and remain a leader in this area well into the future.
