

Charge Document: Biosciences Initiative Coordinating Committee 2022

Biosciences Initiative Coordinating Committee (BICC) Mission	To strengthen research and education in the biosciences across the university <i>through strategic leadership, coordination and alignment across the campus.</i>
Sponsorship	Mary Sue Coleman , President Laurie McCauley , Provost and Executive Vice President for Academic Affairs
Statement of Purpose	To make recommendations to the president and the provost for strategic alignment of practices, policies and investments in the biosciences
Objectives (not tactics)	The primary objectives of the Coordinating Committee are: Improve quality and strategic coordination in faculty hiring Identify emerging areas of strength, and other opportunities, where campus investment can help catalyze research impact Rationalize investment in core facilities and other forms of research support across full breadth of campus Enhance visibility of the biosciences for both internal and external audiences Create more opportunities for community, collaboration and coordination among those doing biosciences research and education across the campus Improve quality of graduate and postdoctoral training programs
Scope	Biosciences, including convergent disciplines Research Education Ann Arbor Campus

Membership	Chair Roger Cone, Vice Provost and Director of the Biosciences Initiative, Director of the Life Sciences Institute Ex Officio Members Steve Kunkel, Senior Associate Dean for Research and Acting Chief Science Officer, Michigan Medicine Other Committee Members See attached roster Term of service Commitment of two years with the possibility of extension for another two years Liaison to the President Liz Barry, Special Counsel to the President Staff Support Jennifer L. Ohren, Managing Director
Resources	\$150 M in one-time funds Central funding for 30 incremental faculty positions (funding reverts to center when position is vacated)

Charge Document: Biosciences Initiative Coordinating Committee 2022

Timeline	FY 2018 through FY 2023 Administrative extension FY 2023 through FY 2025
Progress Reports	Annual Reports; first report spring 2018 Progress Report summer 2021

Biosciences Initiative Coordinating Committee Roster

Roger Cone, Chair, Vice Provost and Director of the Biosciences Initiative, Asa Gray Collegiate Professor of the Life Sciences, Mary Sue Coleman Director of the Life Sciences Institute, Research Professor, Life Sciences Institute and Professor of Molecular and Integrative Physiology, Medical School

Liz Barry, Liaison to the President, Special Counsel to the President

Sally Camper, Margery Shaw Distinguished University Professor of Human Genetics and Internal Medicine, Professor of Human Genetics and Professor of Internal Medicine, Medical School

Arul Chinnaiyan, S P Hicks Endowed Professor of Pathology, Professor of Pathology and Professor of Urology, Medical School

Aimee Classen, Professor of Ecology and Evolutionary Biology and Director, Biological Station, College of Literature, Science, and the Arts

Lola Eniola-Adefeso, Professor and Vice Chair for Graduate Studies in Chemical Engineering; Professor of Biomedical Engineering; Professor of Macromolecular Science and Engineering; Director of the Cell Adhesion and Drug Delivery Lab; Associate Director for the NIH Cellular Biotechnology Training Grant; Senior Fellow, Society of Fellows

Daniel Forger, Professor of Mathematics, College of Literature, Science, and the Arts and Research Professor, Computational Medicine and Bioinformatics, Medical School

Betsy Foxman, Professor of Epidemiology, School of Public Health

Ursula Jakob, Patricia S Yaeger Collegiate Professor of Molecular, Cellular and Developmental Biology, Professor of Molecular, Cellular and Developmental Biology, College of Literature, Science, and the Arts and Professor of Biological Chemistry, Medical School

Steve Kunkel, Acting Chief Scientific Officer, Senior Associate Dean for Research, UM Medical School Office of Research, Endowed Professor of Pathology Research, Department of Pathology

Yuji Mishina, Professor of Dentistry, Department of Biologic and Materials Sciences, School of Dentistry

James Moon, John G Searle Associate Professor, Associate Professor of Pharmaceutical Sciences, College of Pharmacy and Associate Professor of Biomedical Engineering, Medical School and College of Engineering

Lisa Prosser, Marilyn Fisher Blanch Research Professor of Pediatrics, Associate Vice President for Research-Health Sciences, UM Office of Research, Professor of Pediatrics, Medical School and Professor of Health Management and Policy, School of Public Health

Pavan Reddy, Frances and Victor Ginsberg Professor of Hematology/Oncology, Professor of Pediatrics and Professor of Internal Medicine, Medical School

Janet Smith, Frances and Victor Ginsberg Professor of Hematology/Oncology, Professor of Pediatrics and Professor of Internal Medicine, Medical School

Elizabeth Speliotes, Keith S Henley M.D. Collegiate Professor of Gastroenterology, Professor of Internal Medicine and Professor of Computational Medicine and Bioinformatics, Medical School
